

CERTIFICATE

CONCERNING FACTORY PRODUCTION CONTROL ACCORDING TO EN 15088:2006, ANNEX ZA

The Certification Body for Structural Metallic Products of TÜV NORD Systems GmbH & Co. KG hereby confirms in accordance with the Regulation (EU) Number 305/2011 of 09 March 2011 that the company

AWB Aluminiumwerk Berlin GmbH
Staakener Straße 53-63
D – 13581 Berlin

has been certified with their construction product

**Extruded profiles acc. to DIN EN 755-1 and precision profiles
acc. to DIN EN 12020-1 from aluminium and aluminium alloys
according to table 1 of the DIN EN 1090-3:2008**

- Materials and dimensions according to the mentioned product standard –

which was subject to an initial inspection of the products by the manufacturer and that the construction product is subjected to a continuous factory production control (FPC). The Notified Body conducted an initial inspection of the plant and of the FPC and performs continuous monitoring and conformity assessment of the FPC (System 2+). The producer is responsible for the usability of the CE-marked structural products acc. to the product standard and the Declaration of Performance (DoP).

Certificate No.: 0045-CPR-1693

Year of first certification: 2012

This certificate has been issued in accordance with the Construction Products Regulation and is valid provided the provisions of the harmonised technical specification indicated are complied with and the manufacturing conditions in the plant or the factory production control are not modified to a major degree.

Hamburg, 12.07.2017
